

What Should I Bring With Me To Camp?

The following is a recommended list of items that may be required by the campers. If *medication* is required, please send it in the original container with the campers' name and the dosage clearly labeled. This includes non-prescription medications, such as Tylenol, allergy medication, etc. (We do not keep any medication on hand). Please package and label these items separately, as well as money for the *Tuck* store, as they will be stored in a secure location until needed.
